

Ground Coffee
Breakfast Blend

- A smooth, light roast to start your day.

Classic Roast

- Made from Mountain grown beans, the world's richest, most aromatic kind.
- Aroma-roasted and specially ground. Also available in decaffeinated.

French Vanilla

- Deliciously mellow and smooth coffee, with an enticing aroma and engaging vanilla accent.

Hazelnut

- A smooth and mellow coffee, balanced with an inviting aroma and rich, nutty flavor.
- Also available in decaffeinated

Half Caff

- Folgers Classic Roast Half Caff offers the same Mountain Grown beans, great taste, and aroma of regular Folgers without all the caffeine.

100% Colombian

- A rich, full-bodied roast of 100% Colombian beans that is distinctively rich and uniquely flavorful

French Roast

- A hearty, robust cup of coffee. Dark roasted in the French tradition.

Gourmet Supreme

- A smooth, rich, full-bodied roast.
- Our gold standard is strong with a deep and premium flavor
- Also available in decaffeinated.

Decaf Coffee

Classic Roast Decaf

- Made from Mountain Grown beans, the world's richest, most aromatic kind.
- Aromatic roasted and specially ground.

Gourmet Supreme Decaf

- A smooth, rich, full-bodied roast.
- Our gold standard is strong with deep premium flavor.
- Naturally decaffeinated using only pure water and other natural ingredients.

Whole Bean Coffee

Classic Supreme

- Full bodied, classic aroma and taste, medium roast 100% Arabica beans.

Classic Supreme Decaf

- Smooth, rich whole bean flavor and aroma, naturally decaffeinated.

French Vanilla

- A smooth creamy taste with a delicate vanilla flavor.

100% Colombian

- A blend of 100% Colombian beans for the smooth, rich flavor of Colombian coffee.

Hazelnut

- Smooth-tasting coffee with a hint of nut flavor.

French Roast

- Dark roasted for a bold, full-flavored taste; Folgers' darkest blend.

Instant Coffee

Instant Coffee Crystals

- A convenient way to enjoy a blend of coffee beans, carefully roasted to give you the right balance of flavor, strength, and character - roasted, ground, and brewed to their flavorful best. Also available in decaf.

Coffee Singles

- Specially made using a blend of ground Arabica and Robusta beans and concentrated coffee, our singles actually brew right in your cup. And for those that prefer less caffeine, it comes in a decaf version as well.
