CAFÉ GODIVA.

PRECISION GROUND ARABICA COFFEE

EACH BEAN IS A TINY TREASURE

There is only one bean up to Godiva standards: the arabica bean, widely recognized as the finest in the world. Hand-picked in Central and South America from plantations high in the mountains, these beans are the foundation of our blends.

Once collected, these magnificent beans are treated to Godiva's meticulous roasting process. The end result: distinctive, beautifully balanced coffees with a rich, deep-roasted flavor and a smooth finish.

GOURMET BLENDS

Godiva's premium, non-flavored coffees are available in both regular and decaffeinated.

GODIVA SPECIAL ROAST: A full-bodied, complex blend. This medium roast features a sweet, nutty taste.

SIGNATURE BLEND: A dark, smoky, full-tasting coffee with a smooth finish and no bitter afternotes.
Available exclusively to our business clientele.

GOURMET FLAVORS

CRÈME BRULÉE: A delicious medium-bodied blend, delicately flavored with vanilla and caramel.

VANILLA HAZELNUT: A rich roasted coffee offering a scent of vanilla and the sweet taste of hazelnuts.

CHOCOLATE CRÈME: This unusual coffee features the chocolate taste Godiva lovers will love, with just a hint of vanilla.

All coffees available in 2 and 2 1/2 oz. bags.
